

CHAPTER II

Philosophy purpose and Destination

UNIT 5: Philosophy

To see that every Cambodian Child has the right to get an education, especially English Training Courses for their benefit by using it to upgrade their studies and better their future to help to build development in Cambodia.

UNIT 6: Purpose

HOMESTAY VOLUNTEER TEACHERS ORGANIZATION has the following purposes:

1. To support the education field and offer Free Education Programs both National and International knowledge and also other technical experiences for every Cambodian child especially for the poor and orphans.
2. To offer unofficial Education and promote the world cultural interchange through the foreigners who will come to stay with us and help to teach the children in the community.
3. To support the health systems hygienically by providing Hand Water Pumps and Water filters to the poor communities.

UNIT 7: Mission

H.V.T.O has the following missions:

1. To create Scholarship programs and unofficial English Training Courses. These Programs will be held in every primary school in every village, district and province.
2. To build Free Professional English School Programs in the rural areas.
3. To provide other professional skill and training courses.
